Jenny Humstone Profile

I am a graduate from the Liverpool University majoring in accounting and finance. While pursuing my graduation, I worked as an assistant in office of a mortgage company, gaining valuable field knowledge. My knowledge varies from certain specific advice on finance to goods and services to customers in the dental, medical, teaching and legal professions. Having quite a vast dom the freedom to place me in a wide range of challenging situations, with an extremely high level of confidence in my professional ethics.r
